

Setting up eAlerts Online Banking

Community Resource FCU EAlerts are notifications sent via text or email about your account that you set up. You can get alerts for your current and/or available balance, when a deposit is made to your account, when a withdrawal is made, when a loan payment has been made, when an advance has been made from your line of credit and when a certain check number has cleared. Simply log in to your online banking account then follow these steps:

1. To schedule a new alert, go to eAlerts in the main menu.

Services

- LOAN APPLICATION
- WITHDRAWAL
- EALERTS**
- BILL PAY
- SECURE MESSAGING

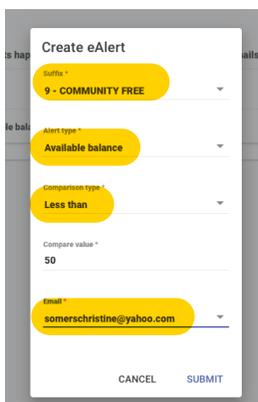

2. In eAlerts Manager, click the NEW EALERT button.

NEW EALERT

Balance, transactions, cleared checks, and more!

3. Choose which account (suffix) to set the alert for, the alert type, the comparison type, the value and which email to send the alert to. Click submit.

3. Your alert will now appear in eAlerts Manager.
